

Castle Festival

Spring begins with Castle Festival in Kishiwada. People stroll around the castle to enjoy the much-awaited touch of spring, beautiful cherry blossoms in full bloom.

Going through the gate into the yard, and you can join in "Nodate", a tea ceremony held in the open air, or enjoy traditional Japanese music performances.

Citizen's Festival

This is the handmade festival by the citizens so familiar to the locals. A "Fuwafuwa Gorilla"-a balloon playground in gorilla shape-, a "Mini Steam-Locomotive" and stage performances are

just a few of about 70 groups ready to entertain you. On a sunny day of May, thousands of people gather to join this festival in Central Park.

The peach farms in Kanechika-cho

Peaches growing in Kanechika-cho are famous for their high quality. These fully ripened peaches are fresh enough in the urban market thanks to its good location close to big cities.

Do not miss the peach blossoms here, which bloom slightly earlier than cherry blossoms. Peach farms are all in pink and filled with a sweet sent of blossoms.

TONBOIKE-PARK

Here you can play with amusement facilities, see swans, and enjoy a stroll around the beautiful rose gardens. It will be a fantastic day out here for the whole family.
